

University Academic Regulations & Grading Policy (R-2024)

Applicable to all Undergraduate B.Tech Programs

Section 1: Minimum Academic Credit Requirements

Every undergraduate student must earn a minimum total of 160 credits to be eligible for the award of B.Tech Degree in Computer Science and Engineering. Out of these, a minimum of 20 credits must come from Humanities and Social Sciences (HSMC), and 24 credits from Basic Science Courses (BSC).

Section 2: Examination Evaluation Scheme

Continuous Internal Assessment (CIA) accounts for 40% of the total course marks, consisting of two internal mid-term examinations (30 marks) and active assignment submissions (10 marks). The End Semester University Examination (ESE) carries 60% weightage.

Section 3: Grading Scale and Grade Point Average (GPA)

The university uses a 10-point letter grading system: O (Outstanding, 10 points for marks $\geq 90\%$), A+ (Excellent, 9 points for marks 80-89%), A (Very Good, 8 points for marks 70-79%), B+ (Good, 7 points for marks 60-69%), B (Above Average, 6 points for marks 50-59%), C (Pass, 5 points for marks 40-49%), and F (Fail, 0 points for marks $< 40\%$).
